## Washington State's Governor, Jay Inslee

has mandated all persons entering indoor facilities wear a mask.

If you have a medical condition that prevents you from wearing a mask, you are  
EXEMPT from this mandate.

In compliance with ADA and HIPAA laws, and more importantly out of respect  
for your privacy, we will NOT ask about your medical condition.

If we see you without a mask we will assume you have a medical condition and  
will welcome you inside our Church.
